## BRAND NEW Medical Devices Roundtable Forum 2021

3<sup>rd</sup> February 2021

All times are in CET

Attend the only event dedicated to bringing delegates together to share best practice and develop solutions by taking part in up to 3 interactive roundtable discussions. As a delegate you'll get a choice of 10 roundtables to choose from.

The Medical Devices Roundtable Forum offers a unique opportunity to come together with your peers in a virtual environment. Hosted by industry experts and each focused on a single issue, roundtables are an exciting, interactive way to build your personal network and learn from the experience and expertise of others.

Places are limited on each roundtable so register your interest today.
