

AGENDA

BRAND NEW Packaging and Labeling Roundtable Forum 2021

17th February 2021

All times are in EDT

Attend the only event dedicated to bringing delegates together to share best practice and develop solutions by taking part in up to 3 interactive roundtable discussions. As a delegate you'll get a choice of 10 roundtables to choose from.

The Packaging and Labeling Roundtable Forum offers a unique opportunity to come together with your peers in a virtual environment. Hosted by industry experts and each focused on a single issue, roundtables are an exciting, interactive way to build your personal network and learn from the experience and expertise of others.

Places are limited on each roundtable so register your interest today.

17 th February 2021

Roundtable Titles:

Each table runs 3 times on the same topic. Tables are exclusive, other vendors cannot attend. Minimum 10 participants for each table.

Attendees can select up to 3 roundtables.

1. Generating new wave of labeling through the use of digitalization
2. Adapting your artwork to adhere to regulations and meet patient requirements
3. Controlling labeling changes to primary and tertiary packaging - from request to implementation
4. Bringing manufacturing home to the US
5. Sustainability in packaging: proving better solutions for the planet as an industry
6. Preparing for the future – are block chain and artificial intelligence taking over?
7. Track and trace: preparing for 2023: Roadmap to full implementation and aggregation
8. Enhancing artwork for serialization
9. Smart labeling: understanding the relationship between labeling and smart manufacturing
10. Best practices in tamper evidence
